Thanks for the information! We will keep this site in our end.

We don't address medium priority facilities. However, even if we did, Pfizer is not a TSD. It was ranked prior to the determination that it was only a generator.

What about the GPRA - medium priority in RCRIS?

>>> MICHAEL POETZSCH 03/30/00 02:32pm >>>

As this has generator status, it is not subject to RCRA corrective action and cannot be deferred to our program. Call me with any questions.

Hi, Mike!

Can you find out if this site can be officially deferred to RCRA?

RCRIS says..... that the company is a large generator with a medium priority in RCRA. RCRIS also shows that an RFA was done at the site.

Thanks, as always, for your help!

Denise
